di LUNA

Gocce di Luna by Anna Spinato, the non-alcoholic sparkling drink from organic grapes

Rich and sparkling bubbles, light and crystalline colour. On the nose, scents of apple, white flowers and fresh grapes. Pleasant and sweet sip, rich of freshness. Perfect with cakes, fish dishes, foie gras and to be used for alcohol free cocktails.

The exclusive packaging of Gocce di Luna now features a new, unique and elegant design. The recyclable film that covers the bottle is expressed with an elegant pearl white dress as a symbol of the purity of its organic nature.

Precious golden drops with smooth lines anticipate the seductive, round notes and give it a luminous, luxurious image.
