Anna Spinato
AZIENDA VINICOLA WINERY

Zero is the new non-alcoholic sparkling drink by Anna Spinato. Starting with Glera grapes, the must is then stored at freezing temperatures to avoid any alcoholic fermentation.

The nose is intense, markedly fruity, with notes of nashi, banana, papaya, pineapple, strawberry, apricot and yellow rose.

Lively, cheerful and youthful sip, soft, sweet and fruity final. Great for summer afternoons, to share with friends for happy alcohol-free moments.

It is presented in a diamond bottle with a green-blue foil label which magically changes colour according to the movements of light and tells how **Zero is the starting point from which everything else springs**: the origin.

A shiny drink both inside and outside, ready to light up the toasts of consumers around the world!
